Gone Fishing  
For a Better Business, Better Life

We invite you to join us in Jackson Hole, Wyoming, Friday September 16 – Tuesday, September 20.

Geared for the closely held business owner, SCI presents an incredible 5 day, 4 night fly fishing retreat in Jackson Hole, Wyoming. Inspired by a desire to bond and share experiences with fellow business owners and Steve Mancini's love for the sport of fly fishing, Gone Fishin' For a Better Business, Better Life allows advisors and business owners to conduct a business program while developing a unique connection with each other and nature. Attendees will stay at a beautiful, log cabin or lodge, and spend one business workshop day in the beautiful area of the Grand Teton National Park or Yellowstone National Park, followed by a fly casting lesson. In the spirit of camaraderie, advisors and business owners are able to share their unique experiences, while learning how to bring a balance their ownership and business goals. Following their casting lessons, attendees will then be taken on a two day fly fishing trip along the majestic Snake River. Two days are dedicated to traveling.

**Discounted Rates for Advisors:** Bring one client and receive the program fee, flight, and accommodations will be sponsored by Southern California Institute.
